

**See a Play While Supporting Local Cancer Patients on November 13<sup>th</sup> and 20<sup>th</sup>**

***By Ehren Goetz, Public Relations Assistant***

In an effort to raise money for local cancer patients, the Mammoth Lakes Repertory Theatre will be donating \$2 from every full-price admission for the performance on November 13<sup>th</sup> and 20<sup>th</sup> to Mammoth Hospital's Cancer Outreach Fund. The fund, offers financial assistance, support and resources to cancer patients living or working in Mono County.

Since Mammoth Hospital does not offer primary oncology care, local residents travel out of the area to receive such care. Through donations, the fund helps local cancer patients pay for gas, meals, and lodging needs.

The play, "The Diary of Anne Frank" performed by Mammoth Lakes Repertory Theatre, is located in the Mammoth Luxury Outlet Mall. For more information, or to make ticket reservations, please call (760) 709-1981.
